

# WAYS TO GIVE

- **Monthly Giving:** A convenient and reliable way to give, supporting the parish through pre-authorized giving helps with budget forecasts and future planning.
- **Online:** One time or repeating gifts can be made through the church's website.
- **At Worship:** Cheques and cash are accepted at all services during the offertory. Offerings can also be made online.
- **Gifts of Securities:** Donate appreciated stocks, bonds, mutual funds, flow-through shares or stock options.

# SUPPORTING GRACE

The church is a community of gifts: gifts received from God and given in grateful recognition. Being good stewards of our resources requires prudent management, openness, and a sense of possibility.

As we look to the coming year, we give thanks for Grace's 150 year legacy and for its future. Thank you for your support of Grace in prayer, in gifts, and in service.

**To speak about supporting Grace please contact Mary Pan at [mpan@gracechurchonthehill.ca](mailto:mpan@gracechurchonthehill.ca) or (416) 488-7884 ext. 3**

*Your support makes Grace the place that it is. Filling out the 2025 pledge form helps the church plan for the future & build on our legacy, making it your legacy too.*

# GRACE 150 FOR 150 NARRATIVE BUDGET 2025

## BUILDING OUR FUTURE

This year we celebrated a milestone in the life of our church: 150 years of God's faithfulness to Grace. As we look to the year – and years – ahead we do so trusting that there are great things in store for this community and its ministries. At the Sesquicentennial Celebration Archbishop Fred Hiltz spoke about the beauty of being named 'Grace.'

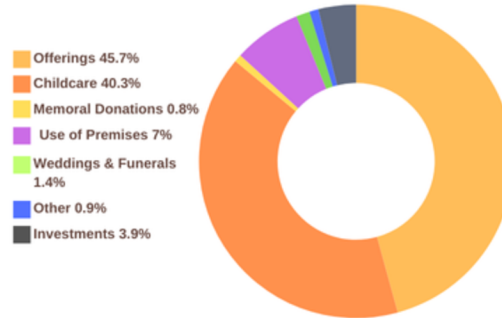

Our name is a reminder of God's generosity and also a call to respond generously to the many gifts we have received. The materials included here give a picture of how your financial support will be used to help Grace flourish in the years to come.

## WHERE OUR RESOURCES COME FROM

## OFFERINGS

## WORSHIP

The rich experience of worship enables the people of Grace to encounter God in word and sacrament each week in person and online. Baptisms, weddings, funerals, and weekly prayer services connect Grace with the wider community.

## MUSIC

Our growing choir brings together musical talent from all ages. Highlights of this year include a choral symposium and a commissioned mass setting.

## SUSTAINABILITY

The recently-renovated courtyard and narthex make Grace a more welcoming and accessible space, something we look to build on in years to come.

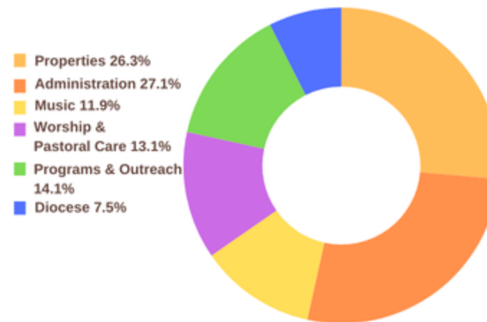

## PASTORAL CARE

Clergy and the lay pastoral visitor team provide pastoral care to the sick, the isolated, the dying, and the grieving.

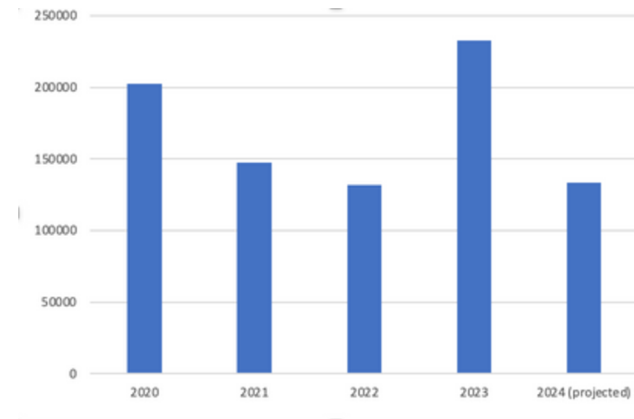

## OUTREACH

Programs help support those in transitional housing, recent immigrants, and the hungry in our neighbourhood through the Churches on-the-Hill Food Bank.
